 - 1.2. Equipment checks must be completed to the satisfaction of the Race Organiser. Gear boxes and bike boxes must meet the requirements (including dimension and weight) as specified by the organisers. The first team to complete the course, with any penalties taken into consideration, will be considered the winning team. Race organisers will specify the penalty for a missed TA or CP. Different penalties may apply to different TA’s and CP’s. The penalty may be disqualification, reduction to a lower ranked finish or short course or a time penalty.
 - 3.1. Common placement rules include:

- (A) Furthest before missing a CP, then most CPs then fastest time.

- 3.6. CPs. Teams must visit CPs and record proof of their visitation via the method adopted by the Race Organisers. Failure to reach the location of a CP is considered "Missing" a CP. In most cases Race Organisers should specify in the Course Notes the penalty for "Missing" a CP.
- 3.6.1. Reaching the location of a CP but failing to correctly record the visitation via the method adopted by the Race Organisers (e.g. orienteering punches, electronic timing chip, sign in sheet, passport signature, photo etc.). will receive a penalty [BLUE]. If alternate proof of the team visiting the location (e.g. Photo, Tracking etc) is not available the penalty will be that of 'Missing' a CP.
- 3.6.2. If a team visits the location of a CP, and no checkpoint is found, the team should make every effort to prove they visited the location. (e.g. Photos etc). Penalty for failure to correctly record the visitation will be applied. If the CP is deemed to be removed, stolen or incorrectly placed then no penalty for failure to correctly record the visitation will be applied. Teams must still prove they visited the correct location (e.g. Photo, Tracking etc). [BLUE]/ [YELLOW]/ [RED].
- 3.6.3. No credit is given if a team incorrectly plots a CP on their maps.

- 3.6.5. If a team loses the ability to provide proof of visiting a CP (e.g. control card, wrist band, timing chip), they must take photographs and follow any procedures specified by the Race Organisers (e.g. manually recording a code on the CP, punching race map, etc.). [BLUE]/ [YELLOW]/ [RED]
- 3.6.6. Where a team must take a photo as proof of visiting a CP, the photos should include as much detail of the surroundings as necessary to satisfy the Race Director. A flash may be necessary. Photos should include team members where possible. Photos that don't clearly show the location for whatever reason (eg. water on lens, too dark, bad picture framing, lens obscured) are not valid. Equipment failure (eg battery flat, camera not working, etc.) is not considered a valid reason.
- 3.7. Travel in Out of Bounds areas is prohibited. [BLUE]/ [YELLOW]/ [RED]/ [DQ]
 - 3.7.1. Unless specifically permitted by the Race Organisers, travelling through private property is always out of bounds, even if a team were to seek permission from the owner.

- 3.12. Race Organisers may include non timed sections, fixed time sections or compulsory stops, for safety or other reasons.
 - 3.12.1. In the case of non timed sections, fixed time sections or compulsory stops, teams must remain on the race course and are still bound by the ARWS Rules of Competition. This is especially relevant to the rules regarding support and outside assistance.

 - 4.8.1. Teams must not abandon a member on the course. [YELLOW]/ [RED]
 - 4.8.2. Once a team member has withdrawn, they are not permitted to re-join the race at a later stage (be it with their team or another team)

 - 4.8.4. If an athlete is part of a team who has withdrawn (due to others of their team withdrawing and not themselves), that athlete may be permitted at the organisers discretion to join up with another unranked team (providing this team is willing to accept them).
5. **Support/ Assistance.** Teams may not receive unauthorised race related assistance during the race.
 - 5.1. No information on the actual course or race route may be sought from any authorities, land managers or similar sources prior or during the race. - 10.1. Cheating occurs if a team or athlete knowingly and deliberately breaks a rule to gain an advantage, be that advantage large or small. - 10.3.4. RED penalties [RED] are significant and severe. They are awarded for serious infringements of the rules. In some cases this may be a time penalty of the order 6+ hours, or a change of a teams racing status (e.g. to UR or DNF). Serious cases may result in Disqualification of an athlete or a team, as determined by the Race Referee. In the most severe cases, a Red Penalty may result in a ban to the athlete/s from further participation in AR World Series races.
- 10.3.5. DQ (Disqualification) is for specific cases of cheating, where a team deliberately and knowingly breaks that rule to gain advantage.
- 10.3.6. Where a rule has noted two or more appropriate penalty levels (e.g. [BLUE]/ [YELLOW], or [YELLOW]/ [RED], or [BLUE]/ [YELLOW]/ [RED]), it is the responsibility of the Race Referee to determine the appropriate level of severity in relation to that specific case.
- 10.4. Penalties may be served on the course at a specific time and location, or added to a team finish time, at the discretion of the Race Organiser.
 - 10.4.1. In most cases a time penalty awarded to a team who may possibly cross the finish line in first, second, third, fourth or fifth place will be served in the last feasible manned TA or CP prior to the finish line. In the situation of a TA, their penalty time will start once they have checked out of the TA. They will have no further access to their TA equipment. Any equipment or supplies they take to the penalty area must be carried with them to the finish line. They may utilise shelter if provided by the Race Organisers. The penalty area must be separated from the TA.
- 11. **Adjudication.** Adjudication of these rules and the awarding of penalties is the responsibility of the Race Referee. In the absence of a Race Referee it is the responsibility of the Race Director.
 - 11.1. ARWS Race Referees may use various resources to determine if a penalty should be awarded and do not necessarily need to be physically present to witness an infringement of the Rules.
 - 11.1.1. Race Officials or the Race Director may report to the Race Referees if they witness an infringement of the rules and may use videos, photographs and other evidence to support their report.
 - 11.1.2. An athlete or team may report to a Race Official or the Race Referee an alleged infringement of the Rules by another team or athlete. The Race Referee may or may not choose to investigate the alleged infringement. It is not the responsibility of an athlete or a team to observe other athletes or teams for infringements of the Rules.
 - 11.1.3. Media, supporters and the general public may report alleged rule infringements to the Race Referee. The Race Referee may or may not choose to investigate the alleged infringement
 - 11.2. **PROTESTS.** Protests can be lodged by an athlete, team, Race Official or the Race Director (where they are not acting in the capacity as Race Referee) where they believe a penalty has been incorrectly awarded or the penalty itself is unfair. Protests are not accepted where no penalty has been awarded.
 - 11.2.1. Team Captains (or the Race Director where they are not acting in the capacity as Race Referee) may make a formal protest to the Race Referee in writing or

via electronic means not later than 3 hours (1 hour for Regional Rounds) prior to the scheduled time of the final presentation/awards ceremony.

11.3.4. If a unanimous decision is not reached, a vote within the ARWS Judging Panel will decide the protest.

11.3.5. In all respects, decision of the ARWS Judging Panel is final and not subject to appeal. There is no obligation to make public the proceedings.

11.4. In the event of there being uncertainty in finishing positions resulting from a formal protest, prize giving should be delayed until after a verdict has been reached by ARWS Judging Panel.

11.5. Positions announced at prize giving are subject to the results of banned substance tests (see Rule 9).

12.1. If these rules are translated to another language, and there is a conflict of rules, the English version of these rules will take precedence.
